CREATOROPS & TOOL CONSOLIDATION

The $100/mo Creator Tool Trap

Are you paying for 4 separate SaaS subscriptions just to publish 1 piece of content? Here is why the fragmented creator stack is draining your budget and energy.

CREATOROPS & TOOL CONSOLIDATION

The Fragmented Tool Reality

- Descript (Transcription & Rough Cut): $24/mo - Opus Clip (AI Clipping & Captions): $19/mo - Buffer (Social Scheduling): $15/mo - Copy.ai (Post Copywriting): $39/mo Total: $97/month in software fees alone.

The Hidden Context Cost

The real cost is not just $97/mo. It is the 23 minutes lost every time you switch browser tabs, download multi-GB files, and copy-paste between 5 disparate tools.
