REPURPOSING RECIPES

The Omnichannel Publishing Checklist

Before you schedule your next social media campaign, run your assets through these 5 non-negotiable quality checks to guarantee reach and conversion.

REPURPOSING RECIPES

Gate 1: Aspect Ratio Precision

• 9:16 (1080x1920) for YouTube Shorts & Reels • 1:1 or 4:5 (1080x1080) for Carousels & Feeds Never cross-post horizontal video into vertical feeds without re-framing.

Gate 2: The 3-Second Hook Rule

State the high-contrast problem or counter-intuitive insight in the first 3 seconds of video or line 1 of copy. If the hook is weak, the rest of the content is invisible.

Gate 3: Standardized UTM Tracking

Every link must have explicit source, medium, campaign, content, and term parameters so analytics can attribute which asset drove revenue.
