BEHIND-THE-STUDIO & PRODUCT SPOTLIGHTS

A Tour of IncuBrix Creator Studio

IncuBrix is not just another scheduling tool or generic AI wrapper. It is purpose-built creator infrastructure. Here is a walkthrough of our 4 core superpowers.

BEHIND-THE-STUDIO & PRODUCT SPOTLIGHTS

Superpower 1: The Thought Inbox

Capture fleeting ideas on mobile or desktop via voice or text. The system automatically transcribes, organizes, and clusters your thoughts into content themes.

BEHIND-THE-STUDIO & PRODUCT SPOTLIGHTS

Superpower 2: Prompt Video Editor

Video editing as intuitive as a text document. Edit transcript text to trim clips, cut filler words with a prompt, and auto-format vertical video framing.

BEHIND-THE-STUDIO & PRODUCT SPOTLIGHTS

Superpower 3: Publishing Hub

Direct API connections to LinkedIn, Instagram, and YouTube. Publish multi-platform campaigns without ever downloading or re-uploading large video files.
